

Welcome to Round 6, our sixth points event of the 2024 Season! We would like to thank all of our volunteers and staff for making our events possible! Please treat our volunteers and staff with respect, please follow the directions they give you, they are here to ensure a safe and fair event for everyone. Take a moment to thank them as you see them throughout

the weekend.

We would like to thank Porsche of Colorado Springs, Rylance Racing, Divulge Motorsports, Ageto, Optimum Property Services, Quinto Neighborhood Pizzeria & Taphouse, NAV Real Estate, Mountain Capital Investment Advisors INC., Synnergie Consulting, Marauder Media, and Seal Master for their ongoing support!

This weekend's temperatures will be in the upper 90's. Food trucks will be on site, please support them!

Pit move in begins on Thursday August 1, 2024. Please ensure you are being accommodating where possible to those that may be arriving later than you on Thursday and/or Friday. Camping is permitted beginning the evening of Thursday August 1, 2024 at no charge.

Transponders are **NOT** available for rent through the Colorado Karting Tour, they are however available to rent from GJMS. The last two sessions on practice day will have Timing and Scoring available for a transponder check. Transponders are **required** for all sessions on race days. Your fastest lap during morning warmup will set the order for qualifying. **Competitors are solely and directly responsible for ensuring the transponder number provided during registration and in their MotorsportReg profile is correct.**

Only tires purchased through the Colorado Karting Tour or an Authorized Colorado Karting Tour Reseller are permitted on race days. **Maverik 87 Ethanol Free is required for all LO206 and Kid Kart classes. Formal protests can be filed at the registration desk. You will also need \$100 in cash to make a formal protest. Should you need to speak to a race official you may make that request at the registration desk.**

Unfortunately due to the shifter class **NOT** meeting the minimum entries we have had to **CANCEL** that class for this round. We will continue to use the grid lights and same practice, warm up, and qualifying schedule for the remaining rounds. **Kid Kart will be running the full track for this round.** We have also added more laps to the pre-finals and final for this round to all classes. See our Facebook and Instagram for more info on class prizes.

Attached to this letter is the event schedule, track map, and pre-tech certification sheet. Your helmet must be checked and 2024 sticker applied prior to entering the track. Your kart must have a presenting sponsor sticker and class sponsor sticker, they are available at registration. **Competitors are solely and directly responsible for the safety of their race karts and equipment. The Colorado Karting Tour does not assume any liability for the safety and/or technical compliance of a competitor's race kart or equipment.**

The event schedule is subject to change. Live results may be available on Speedhive and/or Race Monitor.

There is a mandatory Driver's Meeting on race days. Mechanics, team owners, and parents are encouraged to attend. Competitors failing to attend the Driver's Meeting may receive a penalty. **Competitors are solely and directly responsible for knowing the rules.**

At the end of Race Day Sunday there is a podium presentation where prizes will be awarded for applicable classes. Please attend and support your fellow competitors.

Welcome to the Colorado Karting Tour – Round 6. It is important that you have a great experience as we continue to grow the Colorado Karting Tour. If you have any questions please do not hesitate to ask.

Thank you for supporting the Colorado Karting Tour!
