

## The Very Serious Racer & Parent Pledge

*The mission of the Colorado Karting Tour and the CJKC is to provide interested Kart Racers and (youngsters and their families) a fun, organized and educational opportunity to participate in the exciting sport of Karting, and by doing so, will enhance the experience, shorten the learning curve and, regardless of individual goals, produce an environment of camaraderie, healthy competition and sportsmanship.*

Adult Racer and/or Parent/guardian of a youth race (name) \_\_\_\_\_

I understand and acknowledge the mission of the Colorado Junior Karting Club and pledge to support the mission and to exhibit behavior consistent with the mission at all Club events and activities.

### **FURTHER, I UNDERSTAND THAT:**

- **No one in the Club is interested in viewing my poor sportsmanship, whether it involves cursing at, punching, shoving or otherwise showing disrespect to any of the Race Officials or another parent or racer, and that this behavior does not help any racer or child learn how to be a courteous adult.**
- For youth racers = Adults of the children, the kids, not the adults, are the participants in this Club and that my own personal glory will not be found in my child's trophy.
- Any racer, parent or other person who disrespects another person will not be tolerated – if this becomes an issue, said person will be asked to leave the event and a possible suspension from the CKT could be imposed upon said person, everyone at the event is there to have fun.
- Intentionally circumventing the rules of the Club (aka cheating), even if no one finds out, is still cheating and will not be tolerated, suspension and or penalties will be placed on cheaters.
- I need to think before I act and not behave in a manner that is unprofessional and one would find offensive or embarrassing to another person, especially all race officials.

### **NOW, THEREFORE:**

By signing this Pledge, I promise be respectful to all race officials, track owners and workers, parents and children
